

Village at Stiles Point

Nomination for One Board of Directors Seat

Background:

The Board of Directors servicing Homeowners at the Village at Stiles Point consists of five (5) members. One Director position phases out on April 30, 2022; two are replaced on April 30, 2023, and the remaining two are replaced on April 30, 2024.

The new Board Member joining the BOD on May 1, 2022 will serve a three (3) year term.

Forms to be submitted from interested parties are available now on the Community Website, and can be obtained at the Annual Homeowners' Meeting on March 9th. Those interested in serving the community as a BOD member are encouraged to complete the form and return it to Knisley Management Company at Post Office Box 972, Mt. Pleasant, SC 29465. The Knisley email address is knisleyt@aol.com.

Process:

Applicant Nomination Forms will be mailed to each property owner, followed by a **BALLOT** to be voted and returned to Knisley Management by April 25, 2022. The successful candidate will join the BOD at its first scheduled meeting in May 2022. Ballots may be either mailed or emailed to Knisley Management.

Observation:

The initial BOD succeeded the Declarant, Mungo Properties in May 2021. It successfully transitioned from MJS Management in October 2021. Now, with a solid financial base, and board members who have worked in great harmony with each other, together with a friendly and responsive management company, community needs are being serviced in an efficient manner. With a high degree of participation from neighbor volunteers, BOD service is a genuine and positive experience. Please seriously consider serving on our Board.
